

Delta Dental Premier[®]

With the Delta Dental Premier plan, you and your family members may visit any licensed provider. However, you will receive the greatest out-of-pocket savings if you see a Delta Dental PPO or Premier provider.

Advantages of the Delta Dental Premier Plan:

- SAVINGS:** Delta Dental providers offer our members the greatest savings and protection from balance-billing for covered services. That means they can't bill you for the difference between what they usually charge and the amount they've agreed to charge patients with Delta Dental. You can also ask your provider to submit a pre-determination estimate. Delta Dental will review the treatment plan and tell your provider how much you'd be responsible for so you'll have a clear understanding of cost prior to treatment.
- NETWORK:** Delta Dental is the nation's largest provider of dental insurance, covering more than 85 million Americans, and offering the largest dental network with more than **154,000 participating providers nationwide**. Network providers file claims directly with Delta Dental on your behalf and accept Delta Dental's reimbursement in full. You are responsible only for your deductible and coinsurance (as determined by your plan), as well as any changes for non-covered services.
