

Welcome ULA Employees!

Delta Dental is pleased to be your dental benefits carrier effective January 1, 2009.

You can locate a Delta Dental participating dentist by using our [Dentist Search](#) function. As a ULA member, you can choose to see either a Premier or PPO dentist. You can choose to keep your current dentist even if they aren't in the Delta Dental network, but you will have more out of pocket costs.

Log in to [Subscriber Connection](#) to check eligibility, claim status, and benefit information.

Information about your dental benefits can also be found on your company intranet.
