

### DIAGNOSTIC & PREVENTIVE BENEFITS

#### Limitations on Diagnostic, Preventive and Adjunctive Benefits:

- a) Oral examinations are covered twice in any 12-month period.
- b) Cleanings are covered twice in any 12-month period. For individuals with history of prior definitive periodontal treatment, or certain medical conditions (as shown in the Employee Benefit Booklet), 2 additional cleanings will be provided during a 12 month period.
- c) Topical fluoride application is covered through age 15 and twice in 12 months.
- d) Full mouth x-rays are covered once every 60 months under any Delta Dental plan unless documentation of special need is provided. Individual bitewing x-rays are covered once every 12 months while the patient is under any Delta Dental plan. A panoramic survey (which may include bitewing x-rays and/or periapical x-rays) is considered a full mouth x-ray. Total allowance for individual periapical x-rays, intraoral occlusal x-rays, extraoral x-rays and/or bitewing x-rays performed on the same day will not exceed the allowance for full mouth x-rays.
- e) Space maintainers are covered for premature loss of primary back teeth through age 13.
- f) Sealants are covered once per tooth in any 36 consecutive month period for permanent molars for children through age 14.

### BASIC BENEFITS

#### Limitations on Basic Benefits:

- a) The same basic restorative service is covered once in any 12-month period for the same tooth.
- b) Composite fillings are covered on front teeth; amalgams on back teeth. Allowance will be made towards the cost of more expensive procedures.
- c) Treatment of teeth retained in relation to an overdenture is not covered.
- d) Surgical periodontal services are covered once in any 36-month period for the same quadrant, tooth or site; non-surgical services are covered once in any 24-month period for the same quadrant.
- e) Pulpotomy/pulpectomy is covered only for primary teeth.
- f) A course of treatment for apexification/recalcification (initial, interim, and final visits) is covered once per tooth.

### MAJOR BENEFITS

#### Limitations on Major Benefits - Special Restorative:

- a) Special restorative services (crowns, onlays and buildups) are covered once per tooth in any 60-month period.
- b) Any laboratory processed special restorative service or other special restorative service (except preformed shell crowns) is not covered for children under 12.
- c) Restorations posterior to the first molar will be limited to the allowance for a full metal restoration.

#### Limitations on Major Benefits - Prosthodontic

- a) Prosthodontic appliances and services are covered once in any 60-month period for restorations involving the same tooth, including any prior special restorative service for the same tooth.
- b) Removable temporary partial dentures are a benefit to replace missing permanent front teeth.
- c) The surgical placement of implants is not covered. The placement of the crown, full or partial denture, or bridge over the implant is covered once in 60 months for restorations involving the same tooth. This limitation includes any prior special restorative or prosthodontic benefits for the same tooth.
- d) Fixed bridges (fixed partial dentures) and/or cast metal framework partial dentures (removable partial dentures) are not covered for persons under age 16.
- e) Fixed and removable prosthodontic appliances are not covered in the same arch. Allowance will be limited to the allowance for a removable appliance. Exception will be made when the fixed bridge (fixed partial denture) replaces front teeth.
- f) Reline or rebase of a prosthodontic appliance will be covered only once in any 36-month period.

### ORTHODONTIC BENEFITS (ONLY if selected)

#### Limitations on Orthodontic Benefits:

- a) No benefits will be provided for:
  - Replacement or repair of appliances.
  - Orthodontic care provided in the treatment of periodontal cases or cases involving treatment or repositioning of the temporomandibular joint.
- b) Periodic orthodontic payments will end upon termination of treatment for any reason prior to completion of the case, or upon termination of eligibility.
- c) For an orthodontic treatment plan started prior to the eligibility date of the patient, Delta Dental will begin periodic payments with the first payment due following the patient eligibility date. The maximum benefit will be determined based upon the prior payment history.
