

Delta Dental of Colorado Achieve Directory

Welcome!

Delta Dental of Colorado has been providing high quality, comprehensive dental benefits since 1958. As a non-profit organization, our mission is *to improve the oral health of the communities we serve*. The people of Delta Dental strive to provide the highest level of customer service to our subscribers.

Research shows that preventive practices result in better oral health and reduced treatment needs. Based on data-driven research, Delta Dental of Colorado developed the Achieve provider network. Achieve providers are Delta Dental Premier® and/or PPO general dentists who:

- Emphasize preventive dental outcomes
- Demonstrate a commitment to prevention
- Have high patient satisfaction levels
- Retain their patients year after year
- Practice moderate to conservative treatment patterns

As a Delta Dental of Colorado member, you may wish to select your dentist from the Achieve dentist network.

Use this directory to locate an Achieve general dentist in your area. Delta Dental of Colorado does not endorse any dentist over another. It is your responsibility to find an Achieve provider who meets your dental needs. Although we try to ensure that our directories are as accurate as possible, the information in this directory is subject to change at any time.

EPO members: You must see a Delta Dental PPOSM provider in order to receive benefits.

MAC PPO members: You may see a Delta Dental Premier or PPO provider. However, claims will be paid according to the PPO schedule; therefore, it is in your best financial interest to visit a PPO dentist. You will pay more out-of-pocket when you select a non-PPO dentist—cost-conscious members should keep this in mind when choosing a dentist.

If you anticipate that your dental services will exceed \$400, please ask your provider to submit a treatment plan to Delta Dental, prior to having the services performed. This allows both you and your provider to understand what is covered on your plan. It also helps you budget for your share of the treatment costs. There is no additional charge for submitting a treatment plan.
