

Delta Dental PPO[™] Only

With the Delta Dental PPO Only plan, you must see a PPO provider in order to receive benefits.* If you receive treatment from a non-PPO provider, you will be responsible for all fees charged.

Advantages of the Delta Dental PPO Only Plan:

- **SAVINGS:** With this PPO Only plan, you are responsible for only a portion of the cost of each procedure. Reduced fees agreed to by Delta Dental PPO providers mean the lowest out-of-pocket costs with protection from balance-billing. You can also ask your provider to submit a pre-determination estimate. Delta Dental will review the treatment plan and tell your provider how much you'd be responsible for so you'll have a clear understanding of cost prior to treatment. **CHOICE:** If you choose to visit a Delta Dental Premier[®] provider, you'll still save money because Premier providers also accept discounted fees (however, discounts are not as great as if you see a PPO provider).
- **NETWORK:** Delta Dental is the nation's largest provider of dental insurance, covering more than 85 million Americans, and offering the largest dental network with more than 113,000 participating PPO providers nationwide. Network providers file claims directly with Delta Dental on your behalf and accept Delta Dental's reimbursement in full.

*If your plan covers orthodontia, please note that if you are in the middle of orthodontic treatment and your provider is not in the Delta Dental PPO network, your treatment will not be covered under the PPO Only plan.
