Most of our small group plans now have **Right Start 4 Kids**[®]. This product enhancement **covers children up to their 13th birthday at 100% coinsurance for diagnostic & preventive, basic, and major services, with no deductible** (for the same services outlined in the plan, up to the annual maximum, and subject to limitations and exclusions). **The child must see a Delta Dental PPO or Premier provider to receive the 100% coinsurance.** If an out-of-network provider is seen, the adult coinsurance levels will apply. Orthodontics, if selected as part of the group's plan, is not covered at 100% but at the plan's listed coinsurance.
