

Delta Dental of Colorado Clear Premium Plan

Introducing the Clear Plan for small businesses!

Just like our popular Clear Plan for individuals and families, we are now offering Clear for small groups with 2-99 enrolled employees to take the guesswork out of dental expenses. Members will now know before they go to the dentist exactly what their share of the cost for any service will be. There are no deductibles, no waiting periods for benefits to begin, no percentages to worry about, no annual dollar maximums...and members still have access to the entire Delta Dental PPO™ network! **More clarity and more choice for employees means more utilization of benefits and better oral health...a win-win for everyone.**
